St. John Paul II Early Education Center will be offering a two-week **Summer Program** for children ages 3 to 5 years old, filled with excitement and fun! An emphasis is placed on nature study, art and crafts, music and movement, story time, Christian formation and outdoor play. Children will experience the best of both worlds, learning and play. They will have structure in their day that includes a time to learn, such as circle time— and a time to play. Sometimes both learning and fun happen all at the same time, which is most of the time at the St. John Paul II Center!

This program is specially designed to lead children closer to Jesus and Mary while having a blast learning about the treasures of the Catholic Faith. The St. John Paul II Center is staffed with childcare professionals (laity & religious sisters) who work with children all year long, not just summer time. Childcare is their chosen profession.

The Program will operate **July 5-15, 2022, Monday through Friday from 9:00 a.m. to 12:00 p.m.** The Center does not provide meals, parents will be responsible for providing snack. Center will provide a suggested list of snack items. Each family will sign up for one day.
